John William Towery  
1975 W Oak Hwy  
Westminster SC 29693

Date of Birth: 8/12/1958  
Today's Date: 4/18/2023

Dear whom it may concern,

Mr. John W. Towery is under my care. He is experiencing significant pain in his right groin and leg and is concerning. I feel that it is medically necessary to obtain an MRI of his spine. The ankle bracelet he has in place is not compatible with the MRI machine and therefore would have to come off for the scan and then could be put right back on after.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Greenbaum', is written over a horizontal line.
